## BY PUBLIC TRANSPORT

**From East Putney (District Line):** turn right out of the station and then sharp left into Oakhill Road. Go straight ahead over the railway footbridge and turn right when you hit Fawe Park Road. Then carry on until you hit Putney Bridge Road. Turn right, then first left into Northfields and we're about 70 yards up on the right hand side (entrance alley is next to a sign marked 'malta tourism').

If you're not a big fan of the tube (or just the district line) then give Clara or Sophie a ring and they'll be able to give you the best transport advice (bus, train, scenic walk).
