From East Putney (District line): turn right out of the station, onto Upper Richmond Road. Cross the road and turn into Oakhill Road, then take the next left on to Woodlands Way. Go straight ahead over the railway footbridge and turn right when you hit Fawe Park Road. Then carry on until you hit Putney Bridge Road. Turn right, then take the first left into Northfields and we're about 70 yards up on the right-hand side (entrance alley is to the right of the building marked 'Malta Tourist Office').

If you're not a big fan of the tube (or just the district line) then give Clara, Sophie or Simon a ring and they'll be able to give you the best transport advice (bus, train, scenic walk)

Google Maps or GPS will get you into our neck of the woods and we've a couple of parking places set aside for visitors. Head down Point Pleasant and follow the road round to the left and you'll see a set of big black metal gates on your left (it's not the big white building, those are on your other left).

Then just give us a ring (020 88706777) and we'll buzz you in. But before you set off, please give Simon a ring to check parking availability.

Alternatively there are some metered car parking spaces on Northfields outside our office - and we'll be able to have a whip round for some change if you're short.
