By Car

Google Maps or GPS will get you into our neck of the woods and we've a couple of parking places set aside for visitors. Head down Point Pleasant and follow the road round to the left and you'll see a set of big black metal gates on your left (it's not the big white building, those are on your other left).

Then just give us a ring (020 88706777) and we'll buzz you in. But before you set off, please give Hannah a ring to check parking availability.

Alternatively there are some metered car parking spaces on Northfields outside our office - and we'll be able to have a whip round for some change if you're short.
